

Gulf Two Stroke 50:1 2-Stroke Motorcycle Oil

Product Description

Gulf Pride 2T is a high quality lubricant suitable for use in air cooled 2-stroke gasoline engines deployed in variety of applications. It is blended from high quality base stocks and fortified with carefully selected additives to provide engine protection and cleanliness in 2-stroke engines. The product meets the international specifications of API TC, JASO FC, ISO EGC, T.I.S.I. 1040.

Features & Benefits

- Excellent lubricity protects against piston scuffing and premature wear of engine components
- Proven additive technology controls engine and exhaust system deposits
- Low ash formula prevents pre-ignition and spark plug fouling
- Easy miscibility with gasoline ensures stable homogeneous mixture even at low ambient temperatures

Applications

- Recommended for 2-stroke motorcycles and scooters requiring API TC and JASO FB quality oil
- Suitable for both oil-injection and premix lubrication systems; follow manufacturer's recommendation for oil to fuel ratio
- Also recommended for 2-stroke engines in other applications requiring this quality oil.
